**DANNY S.
MESSING CO, INC.**

LOOSE DIAMONDS & JEWELRY • SINCE 1980

DO YOU SELL DIAMOND JEWELRY?

THEN YOU USUALLY HAVE 2 OPTIONS WHEN PRODUCING IT

You can save time by buying the finished product at the cost of a higher price

You can save money by buying the castings and the melee and putting it together yourself, at the cost of time and manufacturing complications

NOW YOU CAN HAVE THE BEST OF BOTH CASES WITH THE BEST BAGGING SERVICE IN THE INDUSTRY!

THIS IS HOW IT WORKS:

When we receive the castings or findings, we calibrate and pick the diamonds in the quality you choose, set them and finish any piece from any manufacturer. The diamond cost is the same as if you bought them loose (the service is on us!)

You pay only a nominal cost for labor (usually \$1.50/stone) and receive the finished piece with a detailed cost per piece within a few days.

Does it sound too good to be true? Wait, it gets better!!!

IF YOU ARE NOT SATISFIED WE WILL BUY THE PIECE FROM YOU!

Give us a call for complete details, it's a WIN-WIN proposition, why not try it?

CASTING & JEWELRY SERVICE CENTER

YOUR ONE STOP JEWELRY MANUFACTURING SOLUTION

Gold Castings

Gold castings selection in different karats and gold colors.

Platinum Castings

Our platinum state-of-the-art machines are computer controlled to ensure the highest quality.

Silver Castings

We deliver the same consistent results in silver just as well.

Hand Made

Our jewelers will by hand painstakingly create hand made three-stone rings, earrings and necklaces.

Laser Engraving

Engrave your logo, message, stamp, stone sizes or other proprietary information on your jewelry, with our sophisticated laser engraving equipment.

Hand Engraving

Sometimes there's no substitute for the charm, warmth, and personality evident in fine hand engraving.

CAD File Printing

We'll use our latest, most precise rapid prototype equipment to output your files.

Premier

Services

Product Development

Our product development team is able to create entire brand new jewelry lines for our customers.

Jewelry Manufacturing

Once your castings are completed, our skilled jewelers will professionally clean and prepare them for pre-polishing, stone setting or final assembly.

Diamond Setting

From micro-pave to center stone, we offer a wide variety of stone setting designed to accentuate your gemstones.

Enameling

Skilled enamellers create some of the most elaborate enamel designs you'll ever find on jewelry and antiques.

Laser Metal Cutting

Precision laser cutting machine will cut multiple shapes of any form in different metal thicknesses.

Mold Making

Experienced mold cutters will expertly cut the molds to ensure good quality waxes.

CAD/CAM Design

Design and produce a piece from a simple sketch with our computer-aided manufacturing technology.

We know your customers
are demanding. So are ours.

That's why we send exactly
the diamonds you ask for.

A Proud Member of Polygon

DON'T YOU WANNA KNOW WHAT YOUR "MELEE JAR" IS WORTH?

DR. MANY MELEE MD

The world-famous Dr. Many Melee MD will sort and grade every itty-bitty diamond for you.

He will toss out those sick cz's and isolate those infected, broken, and chipped stones. The healthy diamonds will then be separated into different clarities and colors (white/off-color/brown/black knaats).

Dr. Many will be delighted to offer you top dollar if you decide to sell what you cannot use yourself, even broken, chipped, brown, black, or imperfect goods. Talk to our customers about our reputation and you'll discover that we are the melee "maven" that you have been looking for!
