

This advertisement for Namdar Color features a variety of colored diamonds. At the top, a string of small, multi-colored round diamonds hangs across the frame. Below this, the brand name 'Namdar Color' is written in a large, elegant, multi-colored script font. Underneath the name, it says 'a division of NAMDAR'. The central focus is three large, faceted diamonds: a red oval, a blue pear-shaped, and a green pear-shaped. Below these are several smaller diamonds in various shapes and colors, including yellow, blue, pink, orange, green, and purple. At the bottom, there are two piles of loose diamonds, one yellow and one pink. The contact information is centered: (800)833-3177, www.namdarinc.com, 580 Fifth Avenue Suite 930 | New York, NY 10036, Email: sammy@namdarinc.com, and Member Jewelers Board of Trade Since 1984. A small logo for 'NCS' is also present.

This advertisement for TBR International Inc. features a blue background with a white diamond shape containing the letters 'TBR'. The text reads: 'Black, Blue & Brown Diamonds', 'Natural GIA Certified * Over 800 stones in stock * Full GIA Certificates'. Below the text are three large diamonds: a brown, a black, and a blue. At the bottom, there is a row of small icons representing different diamond shapes: round, square, oval, pear, heart, and cushion.

LOOSE DIAMONDS & JEWELRY • SINCE 1980

DO YOU SELL DIAMOND JEWELRY?

THEN YOU USUALLY HAVE 2 OPTIONS WHEN PRODUCING IT

You can save time by buying the finished product at the cost of a higher price

You can save money by buying the castings and the melee and putting it together yourself, at the cost of time and manufacturing complications

NOW YOU CAN HAVE THE BEST OF BOTH CASES WITH THE BEST BAGGING SERVICE IN THE INDUSTRY!

THIS IS HOW IT WORKS:

When we receive the castings or findings, we calibrate and pick the diamonds in the quality you choose, set them and finish any piece from any manufacturer. The diamond cost is the same as if you bought them loose (the service is on us!)

You pay only a nominal cost for labor (usually \$1.50/stone) and receive the finished piece with a detailed cost per piece within a few days.

Does it sound too good to be true? Wait, it gets better!!!

IF YOU ARE NOT SATISFIED WE WILL BUY THE PIECE FROM YOU!

Give us a call for complete details, it's a WIN-WIN proposition, why not try it?

DON'T YOU WANNA KNOW WHAT YOUR "MELEE JAR" IS WORTH?

The world-famous Dr. Many Melee MD will sort and grade every itty-bitty diamond for you.

He will toss out those sick cz's and isolate those infected, broken, and chipped stones. The healthy diamonds will then be separated into different clarities and colors (white/off-color/brown/black knaats).

Dr. Many will be delighted to offer you top dollar if you decide to sell what you cannot use yourself, even broken, chipped, brown, black, or imperfect goods. Talk to our customers about our reputation and you'll discover that we are the melee "maven" that you have been looking for!
